MEMORANDUM OF UNDERSTANDING
BETWEEN
CHULA VISTA ELEMENTARY SCHOOL DISTRICT
AND
CHULA VISTA EDUCATORS

REGARDING WORKING CONDITIONS DURING THE COVID-19 PANDEMIC DURING THE 2020-2021 SCHOOL YEAR

SEPTEMBER ~~22, 20~~29 2020

This Memorandum of Understanding is agreed between the Chula Vista Elementary School District ("District") and the Chula Vista Educators ("CVE"), collectively referred to hereinafter as "the parties", concerning working conditions during the COVID-19 Pandemic during the 2020-2021 school year.

As of the date of this MOU, the Parties recognize that the COVID-19 pandemic necessitates significant modifications to the operation of schools to minimize the health risks associated with COVID-19 infection for all students, staff, and their families while also providing equitable access to education for students.

The Parties acknowledge that staff and students may need to self-quarantine, become quarantined, and/or the District may need to close a learning cohort or close school(s) on an emergency basis to slow the spread of infection and illness arising from COVID-19 during the 2020-2021 school year.

The District shall adhere to the most recent COVID guidelines issued by the Centers for Disease Control and Prevention ("CDC"), California Department of Public Health ("CDPH"), the California Department of Industrial Relations Division of Occupational Safety and Health (Cal/OSHA), the California Department of Education (CDE), and the San Diego County Department of Public Health. The Parties agree to meet as soon as possible to negotiate the impact and effects of any revisions or updates to those guidelines when applicable. Where there is a conflict between the various guidelines or orders, the District shall adhere to the most restrictive **current mandates** ~~guidelines or orders then in effect~~ to minimize potential health and safety risks for all unit members, students, and their families.

Requirements for Safe Schools

The District may reopen schools for in-person instruction in accordance with state and county mandates regarding opening schools.

~~Due to the disproportional impacts of COVID-19 on the communities serviced by CVESD, the District shall only return to in-person/physical schooling when conditions within CVESD boundaries meet the following conditions:~~

1. ~~Conditions in all zip codes within CVESD boundaries reflect no greater than moderate spread (orange tier, 1-3.9% rate per 100,000, 2-4.9% positive tests as defined by the California Blueprint for a Safer Economy).~~
2. The District shall coordinate with county public health agencies to ensure a system for all students, staff, and the community to access widespread, accessible, and frequent testing and when necessary, contact tracing, and isolation of new cases. The District shall provide to all stakeholders COVID resources, including testing information, on a regular basis.
3. The District has ensured full implementation of COVID-19 prevention measures as outlined herein. In addition, clear protocols for a return to in-person instruction of any kind (cohort, hybrid, etc) have been established including those subject to negotiations under the EERA including transfers and assignments, hours, class size, leaves, and any other areas determined to be within the scope of bargaining.
