

CVE Bargaining Update

June 4, 2020

On Wednesday, June 3rd, Chula Vista Educators and the District met for negotiations.

- **2020-21 Calendar and MOU**

- CVESD proposed a calendar with a student start date of August 10th. They initially disregarded the MOU we had presented including language meant to protect members who made vacation plans prior to the school closures and that could not be changed without causing hardship. After lengthy discussion, they agreed to reevaluate the proposed MOU.
- As we caucused, CVESD notified us that the Superintendent had reached out with new guidelines for their bargaining team. Dr. Escobedo, through guidance from SDCOE, does not approve starting in early August and suggests a date closer to Labor Day or following a traditional calendar.
- We have agreed to meet this Friday, June 5th, to reevaluate our calendar proposals based on this new information.

Next Bargaining Date: Friday, June 5
