2022-2023 Calendar:

- CVE and CVESD came to a tentative agreement! The District will bring the calendar to the next school board meeting.

Article 51 Health:

- CVESD countered with a $500 ($250 for retirees) increase on the benefits cap.

Article 52 Wages:

- CVESD countered with 2% on schedule with contingency language attached. The expectation is that they would offer the raise ONLY IF we meet specific funding criteria from the state. CVESD also maintained its 3% one-time off schedule offer.

Committee work compensation MOU:

- Stemming from discussions with CVE, the District proposed an MOU to address pay for voluntary committee work. CVE counter-proposed with a higher rate of pay.

Article 50 Psychologists: No proposals were passed.

Article 33 Transfers and Reassignment: No proposals were passed.

Next Bargaining Date: January 19th, 2022

While we appreciate movement from the CVESD team, this offer continues to show a disregard for the value our members bring to the District. There is no reason any offer on salary should include contingency language when CVESD has such a healthy reserve and a surplus in funding.

How do you feel now???
