Why Contribute to CVE PAC?

What is CVE PAC?
The purpose of the CVE PAC is to run campaigns in support of Chula Vista Elementary School District (CVESD) school board candidates whose goals and philosophies are consistent with the goals of Chula Vista Educators (CVE).

How do we decide who to recommend?
CVE PAC recommends and elects PRO-PUBLIC EDUCATION, PRO-LABOR candidates – regardless of party affiliation. To be eligible for a recommendation candidates must complete a written questionnaire and participate in an interview with members just like you.

The people we elect make decisions that affect our classrooms, our paychecks, our families and our students. We need candidates who will advocate for a well-funded education system as well as hold the line on threats to educators, students and public schools.
For just $3, $5 or $10 per month you can join us. Together we can elect candidates who will stand up for educators and students!

The dramatic improvements in classroom safety protocols and salaries we’ve achieved in the last few years didn’t happen because the legislature spontaneously decided our students need more support.

It happened because educators united, pushed for change, and worked hard to elect trustees that strongly support public education.

Without the work we’ve done through CVE PAC, none of our gains in the past few years would have happened.
